Army Corps solicits comment on Draft Environmental Assessment for the Little Egg Inlet Sand Resource Borrow Area Investigation for the Barnegat Inlet to Little Egg Inlet (Long Beach Island) Storm Damage Reduction Project, Ocean County, NJ

The United States Army Corps of Engineers, Philadelphia District today released for public comment its Draft Environmental Assessment (Draft EA), dated February 2016 for the Draft Environmental Assessment for the Little Egg Inlet Sand Resource Borrow Area Investigation for the Barnegat Inlet to Little Egg Inlet (Long Beach Island) Storm Damage Reduction Project, Ocean County, New Jersey. The EA presents an evaluation of potential environmental impacts of dredging sand from a shoaled area immediately offshore of Little Egg Inlet for placement on Long Beach Island.

Electronic copies of the Draft EA can be downloaded from the following link:

<http://www.nap.usace.army.mil/publicnotice>

To request paper copies, please write or e-mail to the address below or call (215) 656-6515.

Comments may be submitted via regular mail to the Environmental Resources Branch, Philadelphia District, U.S. Army Corps of Engineers, Wanamaker Building, 100 Penn Square East, Philadelphia, PA 19107. Comments may also be submitted via e-mail to the Public Affairs Office at pdpa-nap@usace.army.mil. Please submit all comments by 22 March 2016.
