Army Corps releases draft EA for Delaware River Main Channel Deepening

PHILADELPHIA (Feb. 2013) – The U.S. Army Corps of Engineers released for public comment its Draft Environmental Assessment (Draft EA), dated February 2013, for the Delaware River Main Channel Deepening Project (Project). The Draft EA was prepared to evaluate changes to the affected environment and changes to the Project since completion of the September 2011 Environmental Assessment.

Electronic copies of the Draft EA can be viewed below. To request paper copies, please write or e-mail to the addresses below or call (215) 656-6515. Comments may be submitted via regular mail to the Environmental Resources Branch, Philadelphia District, U.S. Army Corps of Engineers, Wanamaker Building, 100 Penn Square East, Philadelphia, PA 19107. Comments may also be submitted via e-mail to the Public Affairs Office. The deadline for comments was March 22, 2013.
