Congressman Michael Castle

DELAWARE CITY, Del. (AP)- Congressman Mike Castle has high hopes for a proposed recreational park along the C & D Canal.

There is no money for the project yet, but Castle says funds could come from Washington, the state and area counties.

Castle envisions a walking-and-biking trail, picnic areas and public rest rooms.

Park planners want input from Delaware residents, too.

Castle and the Army Corps of Engineers will host two open-house meetings. The first is April 25 in Delaware City. The second is in Chesapeake City on April 26.
