— FOR IMMEDIATE RELEASE —

## **The Public is invited to the Lower Cape May Meadows—Cape May Point Ecosystem Restoration Project Information Session**

PHILADELPHIA (Sept 23, 2005) -- The U.S. Army Corps of Engineers and its partners in the Lower Cape May Meadows – Cape May Point Ecosystem Restoration Project invite the public to an Information Session, Wednesday Sept. 28, 7 pm to 8:30 pm, in the West Cape May Borough Hall located at 732 Broadway.

This Information Session, the third in a series, will begin with a brief presentation on the overall project history and outline ongoing and upcoming phases of project construction.

Immediately after the presentation, the public will be invited to visit with the project team members to ask questions and address their concerns individually. Members of the team who will be present are from the Corps of Engineers, New Jersey Department of Environmental Protection, The Nature Conservancy, and the Cape May Point State Park.

For additional project information please call or visit the Philadelphia District at:
