Reach, Throw, Row, Go!

Join us for a fun and interactive program on how to recreate safely around and on the water. You will learn about water safety through fun scenarios. This program is a must no matter where you plan on recreating; pool, lake or ocean!

Know Before You Go!

Boating is a popular activity at Blue Marsh Lake. But know what it takes to boat safely before hitting the water. Members of the Coast Guard Auxiliary will be offering Vessel Examinations, and Corps rangers will also be on hand to answer questions.

Bat Program

Dr. Karen Campbell, Professor of Biology at Albright College, will be presenting a fun and educational program on bats from around the world. As dusk approaches we will visit an active little brown bat colony. You don't want to miss this program! Bring a flashlight.
