

Blue Marsh Lake 2005 Program Schedule

Fish For Free Day

Join us for an enjoyable family fishing outing at the Stilling Basin. This workshop is presented by the PA Fish and Boat Commission. A fishing license is not required, and equipment is provided. There will be a second Fish For Free Day on Sunday, June 5, 2005, same time and location.

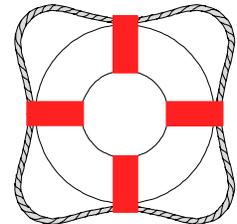

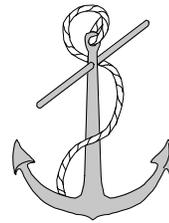

**May 28, Saturday
9:00 A.M. - 12:00 P.M.
Stilling Basin**

Water Safety Festival

Enjoy a day of fun in the sun at the Annual Water Safety Festival. There will be a fish pond for the kids, and games and activities for everybody. Check out the scuba diving competition, the retriever dog demonstration, or try your skills at kayaking. This is a fee-free day at Blue Marsh Lake.

**June 12, Sunday
12:00 - 5:00 P.M.
Dry Brooks Day Use
Area, to the left of
Swim Beach Area**

Whooo Goes There?

When the sun goes down, Blue Marsh Lake comes alive with the sounds of wildlife. Join park rangers on a nighttime safari, and discover what goes “bump” in the night. Bring along a flashlight, insect repellent and your sense of adventure.

**June 24, Friday
8:00 P.M.
Conference Center**

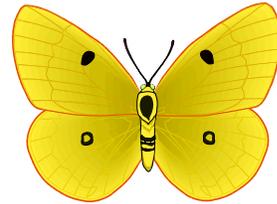

U.S. Army Corps of Engineers,
Philadelphia District

Butterfly Walk

Join local naturalist Karl Gardner on a guided butterfly walk at Blue Marsh Lake. Bring along your binoculars and guidebooks, and be ready for an adventure. Meet at the Church Road Access, which is located along Old Church Road, off of PA Route 183.

**July 9, Saturday
10:00 A.M.
Church Road Access
off of PA Route 183**

Bat Program

Learn why bats are an important part of our night sky. Come and take part in a great program Presented by Dr. Karen Campbell, Professor of Biology at Albright College. We will start with a slide show, which will be followed by a visit to a nearby little brown bat colony to witness their exodus for a night of feeding on insects.

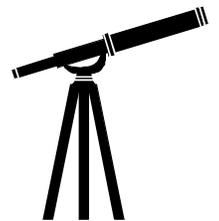

**August 5, Friday
7:00 P.M.
Conference Center**

Star Watch

Members of the Berks County Amateur Astronomical Society are presenting an evening of stargazing. We will start out with a brief program, but as the skies darken, we will move to the telescopes to star watch. Telescopes will be provided.

**August 26, Friday
7:00 P.M.
Dry Brooks Day Use
Area, Vista Pavilion**
