This position is for the U.S. Army Corps of Engineers, Philadelphia District, Operations Division, Northern Area Office, Blue Marsh Lake

This is a Temporary appointment not-to-exceed 120 days, Full-Time Federal civilian position. Benefits include: paid holidays, annual and sick leave, and health insurance.

Position Title: Park Ranger, GS-0025-03

Salary Range: \$32,570 (step 1) - \$40,845 (step 10) annually

Position Duties:

- As a park ranger, you will perform visitor assistance, interpretive, resource management, land management and user fee collection for the benefit of the public visiting the parks and recreation areas protected by the Corps of Engineers.
- Respond to emergencies and accidents.
- Conduct interpretive talks and guided tour programs.
- Write incident, mishap, first aid and lost and found reports.
- Perform day-to-day patrol of all recreation and project areas.
- Enforce regulation and issue warnings when performing crowd control.
- Collect information on plant infestations, wildlife problems, erosion control and site rehabilitation problems.
- Perform maintenance of public use areas to include water safety requirements such as buoy and courtesy dock installation.
- Oversee volunteer work programs, such as Boy Scout/Girl Scout projects.

- Perform trail maintenance activities. May lift up to 40 pounds while working on the trails or natural resources projects.

Qualifications: Candidates will be evaluated in accordance with the qualification and eligibility requirements set forth by the Office of Personnel Management (OPM) located at <https://www.opm.gov/policy-data-oversight/classification-qualifications/general-schedule-qualification-standards/0000/park-ranger-series-0025/> and stated below:

General and/or Specialized Experience:

Six months of general experience which includes experience in administrative, professional, technical, investigative, or other responsible work as qualifying as long as the experience provided a familiarity with natural or cultural history; fish or wildlife habitat characteristics; techniques of resource protection and use; recreational use of public lands and facilities; enforcement of laws, rules, or regulations; fire prevention techniques and fire suppression methods; or the practice of interpersonal relations skills in dealing with the general public; **AND** three months of specialized experience which includes experience in technical, administrative, or scientific work, fish and wildlife management, recreation management, law enforcement, or other park-related work as qualifying with specific examples such as park guide or tour leader; law enforcement or investigative work; archeological or historical preservation research work; forestry and/or fire management work in a park, recreation, or conservation area; or management, assistant, or program specialist work involving the development and implementation of policy related to protection, conservation, or management of park areas or similar operations.

OR

Education: One year of education above the high school level with six semester hours of related course work in natural resource management, natural sciences, earth sciences, history, archeology, anthropology, park and recreation management, law enforcement/police science, social sciences, museum sciences, business administration, public administration, behavioral sciences, sociology, or other closely related subjects pertinent to the management and protection of natural and cultural resources.

OR

Combination of Education and Experience: A combination of education and experience may be used to qualify for this position as long as the computed percentage of the requirements is at least 100%. To compute the percentage of the requirements, divide your total months of experience by 9. Then divide your semester hours of education by 30. Add the two percentages.

Conditions of Employment:

Upon hiring, selectee will be required to obtain and/or maintain the following:

- Must be able to obtain and maintain a valid state driver's license.
- Incumbent will be required to work rotating shifts, including nights, weekends and holidays.
- Subject to unscheduled overtime.
- Must wear Corps of Engineers Class B uniform.
- Work is outdoors, subject to inclement weather.
- Must be able to obtain and maintain a Cardiopulmonary Resuscitation (CPR) Certification.

- Must be able to obtain and maintain a First Aid Certification.
- This position has a requirement to lift up to 40 lbs.

Probationary Period: A two-year Probationary or Trial period may be required.
