

Section 219, as revised [WRDAs 1992, 1996, 1999, 2007, 2022, 2024]

ENVIRONMENTAL INFRASTRUCTURE [within USACE Philadelphia District]

(a) IN GENERAL.—The Secretary is authorized to provide assistance to non-Federal interests for carrying out water-related environmental infrastructure and resource protection and development projects described in subsection (c), including waste water treatment and related facilities and water supply, storage, treatment, and distribution facilities. Such assistance may be in the form of technical and planning and design assistance. If the Secretary is to provide any design or engineering assistance to carry out a project under this section, the Secretary shall obtain by procurement from private sources all services necessary for the Secretary to provide such assistance, unless the Secretary finds that—

(1) the service would require the use of a new technology unavailable in the private sector; or

(2) a solicitation or request for proposal has failed to attract 2 or more bids or proposals.

(b) NON-FEDERAL SHARE.—The non-Federal share of the cost of projects for which assistance is provided under this section shall not be less than 25 percent, except that such share shall be subject to the ability of the non-Federal interest to pay, including the procedures and regulations relating to ability to pay established under section 103(in) of the Water Resources Development Act of 1986.
