Army Corps solicits public comment on Draft Environmental Assessment for Delaware River Main Channel Deepening Project

The United States Army Corps of Engineers today released for public comment its Draft Environmental Assessment (Draft EA), dated February 2013, for the Delaware River Main Channel Deepening Project (Project). The Draft EA was prepared to evaluate changes to the affected environment and changes to the Project since completion of the September 2011 Environmental Assessment.

Electronic copies of the Draft EA can be downloaded from the Corps' website at www.nap.usace.army.mil. From the homepage, click on "Delaware River Main Channel Deepening" under Project Pages and then click on 2013 Environmental Assessment under Project Links. To request paper copies, please write or e-mail to the addresses below or call (215) 656-6515.

Comments may be submitted via regular mail to the Environmental Resources Branch, Philadelphia District, U.S. Army Corps of Engineers, Wanamaker Building, 100 Penn Square East, Philadelphia, PA 19107. Comments may also be submitted via e-mail to the Public Affairs Office at edward.c.voigt@usace.army.mil. Please submit all comments by March 22, 2013.
