**SUBJECT: Request for Subaqueous Lands and Wetland Permits, Delaware River
Main Channel Deepening Project**

Secretary Nicholas DiPasquale
State of Delaware Department of Natural Resources
and Environmental Control
89 Kings Highway
Dover, Delaware 19901

Dear Mr. DePasquale:

As a result of discussions between our offices, the Philadelphia District is now prepared to apply for Subaqueous Lands and Wetlands Permits in conjunction with the Delaware River Main Channel Deepening Project.

Enclosed for your review is the permit application with supporting documents. It is requested that you provide the permits as soon as possible. My points-of-contact to respond to any questions on the permit application are Project Manager Stan Lulewicz at (215) 656-6586 and Biologist John Brady of our Environmental Resources Branch at (215) 656-6554.

If you wish to discuss this matter with me, please call me at (215) 656-6501.

Sincerely,

Timothy Brown
Lieutenant Colonel, Corps of Engineers
District Engineer
